

December, 15th 2015

To whom it may concern.

The Icelandic Handball Federation, is working on a regulation regarding betting in the sport. There has not been any regulation regarding this matter and there need to be some law changes in accordance with a new regulation. It is planned to present change of the law in the spring of 2016 and in continuation to form a regulation.

With best regards

Einar Þorvarðarson
Secretary General
